

04 Benchmark and Ablation Report

Disclosure: all results use the synthetic fra_synthetic_claims dataset. Scores may reflect generator rules. Real-world performance is unknown. This demo must not drive real claim decisions.

1. Split strategies

S1: StratifiedGroupKFold by district (primary). S3: temporal train through 2020, test 2021 to 2024. Locked district-held-out test used once per model.

2. Champion
